

# COMPANY PROFILE

## A WOMAN ENTREPRENEUR INITIATIVE

---

A woman-led enterprise focused on building professional excellence and creating value through quality, safety, and sustainability services. The initiative promotes leadership, empowerment, and innovation by driving high-standard consultancy, auditing, and capacity-building solutions, while inspiring more women to enter and excel in technical and management domains.

---

# KNOW THE ORGANISATION

## A BRIEF STORY ABOUT THE COMPANY

MTPL is the leading Consultancy, Training, Inspection, Verification, Testing, Auditing and Certification company. We are recognized as the benchmark for quality and integrity.

We are constantly looking beyond customers' and society's expectations in order to deliver market leading services wherever they are needed. As the leader in providing specialized business solutions that improve quality, safety and productivity and reduce risk, we help customers navigate an increasingly regulated world. Our independent services add significant value to our customers' operations and ensure business sustainability.

# VISION

---

To be the most trusted and globally recognized provider of integrated consultancy, training, inspection, testing, auditing and certification services that enhance quality, safety, sustainability and operational excellence across industries.

---

# MISSION

---

- 01** Deliver impartial, reliable and value-driven services that strengthen client performance, compliance and risk management.
- 02** Continuously upgrade capabilities, technologies and competencies to meet evolving regulatory and industry requirements.
- 03** Promote a culture of quality, safety, environmental stewardship and ethical business practices.

# MAJOR FACTOR

---

## RESPONSIBILITY

- Delivers services with strict adherence to ethical, legal, and quality standards to protect client interests and public safety.
- Ensures accountability in all audits and assessments with unbiased and transparent reporting.
- Commits to sustainable practices that support environmental, social, and compliance-driven responsibilities.

## MULTIFUNCTIONAL

- Provides an integrated suite of Consultancy, Training, Inspection, Testing, Verification, Auditing, and Certification services under one platform.
- Supports diverse industry sectors with end-to-end solutions from system development to compliance execution.
- Offers cross-functional expertise enabling seamless coordination across technical, safety, quality, and regulatory domains.

## TRANSFORMATIVE

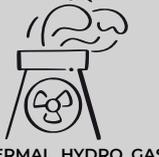

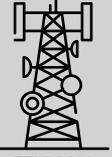

- Drives organizational improvement by enabling clients to enhance quality, safety, efficiency, and risk management performance.
- Facilitates cultural and systemic change through capacity building, awareness, and competency-based training.
- Implements innovative and value-added solutions that uplift operational excellence and long-term sustainability.

EXCELLENCE IN ASSURANCE FOR A  
SUSTAINABLE FUTURE

# SECTORS WE SERVE

Covers a wide range of industries by delivering integrated consultancy, audit, inspection, testing, and certification services tailored to sector-specific needs. Focus remains on improving quality, safety, efficiency, compliance, and sustainability across each sector served.

# CEO STATEMENT

We seek to be characterized by our passion, integrity, entrepreneurialism and our innovative spirit, as we continually strive to fulfill our vision. These values guide us in all that we do and are the bedrock upon which our organization is built.

As well as delivering services that promote sustainable development, our values also show a commitment to corporate sustainability. For us, sustainability is about managing a long-term profitable business while taking into account all the positive and negative environmental, social and economic effects we have on society. We partner with you to offer independent services that will help you reduce risk, streamline your processes and operate in a more sustainable manner.

QUALITY. SAFETY. COMPLIANCE. DELIVERED.

# AREAS OF EXPERTISE

MTPL provides end-to-end Consultancy, Training, Inspection, Verification, Testing, Auditing and Certification services. Our solutions enhance quality, safety, productivity, and regulatory compliance across diverse sectors. We support organisations in strengthening systems, reducing risk, and achieving sustainable business performance through independent and value-driven services.
